Executives

EARL H. HANSON

Keeping the production wheels turning in this vast educational war plant is President Earl H. Hanson's job. His work and the work of our board of directors truly deserve an "E" for Efficiency.

These executives have zealously tackled the many problems confronting war-time directors and have tried, successfully in a majority of cases, to anticipate the questions and problems of youth in war time. Their efforts also have aided our country in its anti-juvenile delinquency campaign, for they well realize that the products turned out here will not only serve in helping to win the war, but will be a deciding factor in keeping the peace after the war.

Through them, all classes have been put on an efficient war-time schedule, utilizing every moment to bring us closer to that day when our efforts can again be turned to education for normal times.

From left to right: W. G. Murphy, J. G. Youngquist, T. Plantz, Jr., H. Denecke, C. F. Bauer, E. H. Burch, and E. H. Hanson

General manager of Rock Island High School's war plant is Owen B. Wright, principal. Under Mr. Wright's efficient direction, Rock Island High School is training on the average of fifteen hundred students a year. Because of the three years spent at Rocky High, this year's graduates will take their places with confidence as members of the armed forces and as war workers.

Two able assistants to Mr. Wright are his personnel managers, Miss Florence Liebbe, dean of girls, and Mr. E. S. Metcalf, dean of boy.s

The personal and individual problems of every worker attending this school are given complete, fair, and considerate attention by our personnel managers. To them should go a special award for making possible efficiency in production.

Nutrition plays a vital part in keeping minds alert and aiding production. The cafeteria staff, managed by Mrs. N. Gillespie, have done a magnificent job in feeding the personnel of the plant.

Despite the manpower shortages, Rock Island High School's maintenance crew under the skillful management of Mr. Schroeder have kept up the plant and grounds, making possible maximum production.

An efficient war plant today must be so organized that qualified persons supervise its production. Thus it is with our high school. Those students who have succeeded in passing the requirements of the National Honor Society have the privilege of being looked upon as the efficiency experts of Rock Island High School.

This year forty-five students of the graduating class were found to be worthy of the honor of being elected members of the society. Of this number twenty-two were automatically selected because of scholastic averages of 92 or above. The remaining members were elected by a vote cast by the members of the upper third of the senior class.

The National Honor Society was founded in 1903 to place more emphasis on the scholastic field and also to increase interest in the many functions of high school life. The society was introduced at Rock Island High School in 1937, and since that time one-tenth of each senior class have been admitted as members.

It is these high-ranking workers who will be the leaders in today's world at war and in tomorrow's world at peace.

Those not present when the National Honor Society picture was taken were: Edward Cramer, Virginia Denecke, Theresa DeSmet, Lyle Forward, Harry Holmes, Jack Lofgren, Vivian Pontikes, Martha Richeson, Carl Stone.

Just as all war plants have a representative "clearance board," composed of employers and employees who settle production problems, so Rock Island High School has its student governing board; namely, the Senate. Student problems are brought to the Senate meetings, where they are first discussed and then acted upon.

One of the outstanding features of Senate activities is the sponsoring of Old-Clothes Day. This annual feature took on a new aspect this year when it became "Costume-and-Old-Clothes Day."

Junior Officers

Although this book is primarily a senior book, no account of high school life would be complete without mention of the undergraduate classes.

This year the junior and sophomore classes have taken leading roles in our production efforts. Because so many of the senior boys have gone into the armed services, many of the jobs they formerly held are going to industrious underclassmen.

Especially in the field of athletics have the juniors made themselves felt. They are rapidly becoming the leaders of clubs and groups and are well represented in all phases of school life.

The sophomores too have been pressed into emergency service and form an integral part of our educational system.

Among the activities sponsored by the junior and sophomore classes are their very successful school parties. The juniors also presented their sparkling comedy, "The Fighting Littles."

It is with the calm certainty of a bright future that Rocky High can look to the junior and sophomore classes for leadership.

Coaching Staff

HAROLD V. ALMQUIST

Concluding another eventful season at Rock Island High School is Harold V. Almquist, head coach. This ends his third year of building better winning teams for Rocky High.

Coach Almquist has always been a great sports enthusiast and while attending East High School in Minneapolis, Minnesota, he won the trophy awarded the most outstanding athlete and student.

Before coming to Rock Island Senior High, he was coach at Augustana College.

Coach Almquist stops at no small goal; his greatest ambition is to see his team play in the Rose Bowl some day.

Listening to radios and tinkering with them takes up a lot of his spare time. The first radio program he ever heard was over WOC on one of those "new-fangled" crystal sets.

He has had a hand in just about everything; he has even been a "news butcher" on a train.

The Rock Island–Galesburg game marks the first time any team has scored on our team in our own stadium since Coach Almquist has been here.

Lester T. Glick is just completing his first year as assistant coach at Rock Island Senior High, but already he has done much to help Rocky's athletic teams come out on top.

Previously he was sophomore coach, along with Julien C. Peterson. He held this position for six years, during which time he taught science at Washington Junior High.

Any sport in season is usually his favorite, although basketball gets a little more attention than the rest.

Mr. Glick attended the University of Iowa and also State Teachers College in Bemidji, Minnesota. While living in Iowa he won the Golden Gloves Championship, and he has also played professional baseball.

Playing with his son takes up a lot of his extra moments, but when any excess time is found, he spends it sleeping.

During his teaching career, he has taught various subjects, too numerous to mention. At the present time he teaches the newly introduced pre-flight aeronautics course.

LESTER T. GLICK

Julien C. Peterson

In the 1943 fall season, Rock Island's sophomore football squad shared first-place honors with Moline in the Northwest Conference.

Coached by Julien Peterson and Ray Collins, the little Rocks compiled a season's record of four wins and three losses.

The yearlings were led by Gerald Herman, pint-sized halfback, who became known as the "Touchdown Kid" because of his long scoring runs. Bill Armstrong, signal-calling quarterback, and Joe Dillon, another speedy halfback, were teamed with Waldo Schneider to make up the ball-carrying unit. Schneider was occasionally borrowed by the varsity to kick off for them.

At the ends, Jim Reddig and Lee Evans took care of the receiving department. In the line, where the heavy duty is done and seldom recognized, Bill Foy, Bob Bennett, Jay Melow, and Pete Grevas turned in sterling performances of defense. Jack Ingram, scrappy center, held up the center of the space line.

A 65-yard run back of a kick in a Davenport game, by Herman, and a 50-yard pass from Schneider to Reddig for a touchdown in a Moline game, were highlights of a busy season.

Walter L. Kimmel

As the football togs were put away and basketball uniforms made their appearance, Coach Ray Collins got together a willing and eager team which made up in fight for its inexperience.

Waldo Schneider, towering center, and Vernon Staelens, hot-shot forward, led the cagers, with Jim Reddig, Harry Bolinger, and Don Miller making up the quintet at the outset of the season.

In mid-season, Staelens was elevated to the varsity and Schneider, along with Ellsworth Milton, was lost to the squad because of graduation to the junior class.

The soph team was hard hit by the loss of these key men and was knocked off stride. Bob Sendek and Miller took over the scoring duties and the team continued through a season of 4 wins in 16 starts.

One of the consoling features of the season was a 33–27 last-minute victory over Davenport.

Second row: R. Dierolf, mgr., J. Swim, mgr., C. Freeland, D. Gregg, W. Weber, H. Hankins, D. Whan, F. Reynolds, B. Schmidt, J. Evans, S. Strum, D. Wheelan, M. Anderson, R. Chaney, A. Eddy, M. Montz, L. Leatherman, C. Gripp, D. Huff, D. Nelson, and D. Rockwell, mgr.

Third row: L. Radosevich, mgr., M. Breiby, mgr., R. Woodward, mgr., B. Freitag, D. Dahlen, I. Weindruch, V. Staelens, G. Wood, J. Minteer, D. Henke, W. Schneider, L. Gadaire, R. Sandberg, J. Smit, B. Hibbert, G. Fellows, mgr., J. Kettering, mgr., D. Thonn, mgr., B. Wilson, mgr., and R. Winger, mgr.

Rocky High's 1943 football season was really highly successful, even with its two defeats. These are classed as losses on our record, but when considered from the standpoint of morale, they might well be classed as two distinct victories.

As long as football continues in Rock Island, the Davenport game will not be forgotten, for there in the goal-line stand, when Davenport was within inches of scoring again, is an excellent example of the spirit of Rocky High. Davenport was one of the most outstanding teams on this year's schedule, and this fact should not be forgotten when reviewing the scores.

Kewanee, which had a remarkable team built around Ed Tunnicliff, was perhaps the fastest of any team we met this year and had the most will-to-win.

Galesburg, which later defeated Kewanee and so gave Rock Island a share in Northwest Conference, had one of the finest teams to enter the Rock Island bowl. In this game Rock Island was scored upon on its home field for the first time since Coach Almquist has been here. Team members and coaches say that that game could easily have ended differently.

Rock Island High School's 1943 football season ended when they met Quincy on a day of real trial for the team members. In 1942 we had a perfect season until we met the powerful Quincy team at Quincy. This year again it was an all-round team that the Rocks met. The season ended happily, however, when Rock Island defeated Quincy 14–7.

Coach Almquist and his team have no reason to make apologies for this season of football. The team was rated fourth in the state of Illinois and, of course, rated first with the students of Rocky High. Coach Almquist had in Rock Island a truly great team. May 1944 prove as successful.

Season's Record

Lemont 0 Rock Island 87

Scoring four touchdowns in the first quarter of the game, the Rocks rolled on to pile up the biggest score in modern football history at Rock Island.

East Peoria 0 Rock Island 18

East Peoria gave the Rocks a real game but finally fell to their powerful running attack. The Islanders proved their power by not having to punt out of danger during the whole game.

Davenport 6 Rock Island 2

Winning on a still disputed touchdown pass, the Blue Devils were rather lucky at Davenport. The Islanders' only score came by way of a safety made early in the second half when the Rocks trapped a Davenport man behind his own goal.

Kewanee 20 Rock Island 19

The Crimson and Gold warriors lost the season's heartbreaker to a very determined Boilermaker squad.

Behind 20 to 7 at the half, the Rocks came back, almost tying the ball game in the second half.

Galesburg 7 Rock Island 14

Galesburg was the first team to score on the Rocks' home field in three seasons. The Burgers employed a baffling offense in the first half, and it took the Islanders a while to figure it out.

The Crimson and Gold men surged back in the second half to win their own homecoming game.

Moline 0 Rock Island 26

The Rocks powered their way to their third straight victory over the Maroons in three years. The Moline game is always a hard fought one no matter who wins, and the 1943 game was no exception. Fine passing, blocking, and running highlighted the Islanders' attack.

Roosevelt 0 Rock Island 26

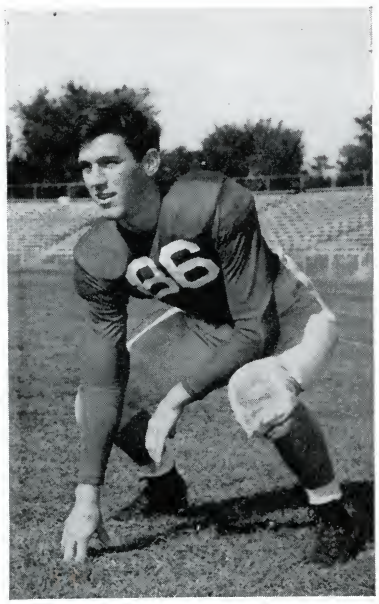
The Rocks won this one without having to dig very deep into their bag of tricks.

East Moline 0 Rock Island 26

The Crimson and Gold warriors seemed to feel their power about this time of the season and simply surged up and down the Hilltoppers' field with comparative ease. Fine blocking and running were evident.

Quincy 7 Rock Island 14

On a very muddy field, the two teams' fine running and passing attacks were bogged down considerably. After winning from Quincy, the Islanders were rated third best in the state, for they were the only team in Illinois to defeat the "Gem City" boys.



JERRY RUSS, *All-state.*

Though the 1943 Islander football squad was comparatively inexperienced, several of its members received mention on all-state teams.

Jerry Russ, senior end, was awarded a place on the Chicago *Daily News'* all-state team. Howard Hankins and Duwain Dunklau received honorable mention.

Johnny Ahl was selected captain of this year's football squad.

JOHN AHL, *Captain.*

Cheerleaders

From left to right: E. Fitzpatrick, C. Marsh, and N. Palmer.

Leading cheers to bolster the morale of Rocky High's athletic teams is the difficult task that confronts the varsity cheerleaders. Full of pep and enthusiasm, and wearing their smart new uniforms, these people are always out there pitching, rain or shine.

Not only have they done their full share at all the football and basketball games of the season, but they have also participated in numerous pep assemblies where, under their expert directing, the student body really "gives out" with yells.

Not all the credit for good cheering, however, goes to the senior cheerleaders, for the sophomore leaders, too, deserve their share of praise. These students have worked long and faithfully to be prepared for the day when they will take their place as varsity cheerleaders.

Not only have they been on hand at the games, but they have also worked in co-operation with the varsity leaders in actually leading cheers, and have aided greatly in building up the morale among members of the sophomore squads.

From left to right: B. McGrew, J. Guldenzopf, M. Young, and B. Stevenson.

Homecoming

Although it was not possible to have a Homecoming parade this year because of war-time restrictions, the traditional crowning of a king and queen to reign over Homecoming activities did take place. This year's royal couple were King John Ahl and Queen Margery Tyler.

The identity of the Homecoming royalty was revealed to the student body of Rocky High at an all-school assembly. After her coronation the Queen gave her official command —to defeat Galesburg. The command was carried out when the Rock Island football team defeated Galesburg by a score of 14–7.

First row, left to right: Norma Palmer and Carol Crawshaw.
Second row: John Ahl and Margery Tyler.

Front, left to right: B. Wagner, H. Plantz, N. Palmer, and C. Crawshaw.

Queen Margery, accompanied by her royal attendants, Norma Palmer and Carol Crawshaw, reviewed her loyal subjects on the battlefield and assured them of success at the Rock Island–Galesburg game.

Then, with the cheers of victory still ringing in their ears, the royal couple acted as hosts at the Homecoming dance in the high school cafeteria. The peak of activity was reached when the couple led the grand march.

Homecoming festivities were under the direction of *The Crimson Crier.*

With Jerry Russ and John Ahl the only veterans returning from the 1942–1943 quintet, and Ahl due to graduate in January, Coach Almquist experimented and by mid-season had molded together a combination of two seniors, two juniors, and a sophomore.

Starting the season with a team including Jerry Russ, John Ahl, Jerry Evans, Warren Heimbeck, and Mel Montz, Coach Almquist elevated Vernon Staelens from the sophomore squad just before the finish of the semester that brought the end of John Ahl's playing days at Rocky High.

Staelens played like a veteran the remainder of the season and, with Montz, was given honorable mention on an all-state team.

The team had several good reserves. Bob Schmidt a junior, contended with Jerry Russ for center position throughout the campaign. Tom Wich, a senior, improved steadily during the season and was the handy man. Five juniors rounded out the main reserves.

Montz led the Islander scorers, with Heimbeck a close second. Accurate free throwing was a highlight of the season.

Cross Country

From left to right: E. Blaser, G. Prange, V. Peterson, D. Hoare, J. Jezek, B. Clemann, K. Peterson, and C. Woest.

The cross-country team, under the coaching of Kenneth E. Greene, turned in a fine record this year. They won twice over Geneseo, with Russell Summerhayes capturing a first in both meets.

They also came in third in the Northwest Conference, with Summerhayes coming in second place. Boys winning for Rock Island were Ed Blaser, M. Partin, R. Hoare, B. Clemann, C. Woest, and R. Summerhayes.

Track

Starting a late season, Coach Walter L. Kimmel's track team made good this year despite the manpower shortage that took away much of its potential power.

Juniors have again taken over slots previously filled by seniors. Dick Oglebay took over the broad jumping position that was held by Jim Holland, and Charles Schweiss literally ran into the spotlight's beam as this year's outstanding miler.

John Davidson, Bill Stevens, and Bob Schmidt also turned in good records in field events.

Tossing the most weight around this year were Bob Schmidt and Sam Strum.

The Sophomore track squad took no back seat this year either. With the excellent record of last year's team to live up to, the sophomores put on a good show. Last year's sophomore stars are today's varsity leaders.

First row, left to right: V. Otto, B. Garrison, B. Ramsdale, G. Bartell, C. Hartman, S. Johnson, D. Crouse, K. Petersen, and D. Thompson.

Second row: J. Myer, W. Weber, C. Bulloch, J. Jezek, J. Bushno, B. Greenleaf, G. Herman, C. Schweiss, D. Henning, G. Tappero, and W. L. Kimmel, coach.

Third row: Glick, asst. coach, D. Hoare, M. Anderson, B. Clemann, G. Wood, D. Wheelan, R. Chaney, J. Davidson, W. Greve, J. Hoff, and V. Peterson.

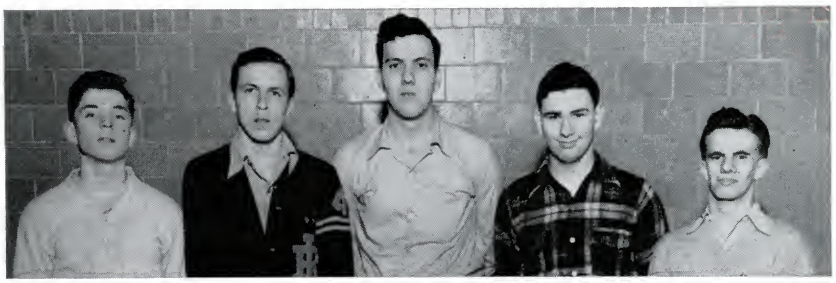
Fourth row: D. Whan, B. Schmidt, D. Oglebay, J. Cochrane, G. Fellows, B. Shlaes, M. Breiby, L. Gadaire, and B. Stephens.

Golf

Playing in bad luck, this year's golf team, under the direction of J. R. Clark, came in second in the Northwest Conference meet last fall.

Manpower shortages have hit the golf team hard this spring. Only fourteen men reported for practice.

Top players were Joe Sesbeau, Bob Downing, Bob Duncan, Don Miller, Bill Mosenfelder, and Gene Littig. The low score of 87 was reached in their first spring meet.



From left to right: D. Miller, J. Sesbeau, R. Duncan, W. Mosenfelder, and R. Downing.

Wrestling

The wrestling team, coached by Kenneth E. Greene, was one of the best in years.

In dual meets they won seven, lost one, and tied one against Davenport, Clinton, Galesburg, and Maquoketa. They were beaten by Davenport and tied by Maquoketa but gave Davenport two defeats and one to Maquoketa.

They won a quadrangular meet composed of Clinton, Davenport, Maquoketa, and Rock Island and secured second place in the Champaign meet, which represented the best teams in the state.

In the Champaign invitational tournament, which took the place of the state tournament, many of Rocky's wrestlers placed.

Bill Albright took first in the 105-pound class; Paul Wilkins, 95-pound class, and Leo Dasso, 175-pound class, took seconds. Glen McCarty, 115-pound class, Glen Wilkins, 135-pound class, and Bob Bennett, 155-pound class, took thirds. Ed Blaser, 145-pound class, and Art Johnston, 165-pound class, took fourth places.

First row, left to right: A. Johnston, E Blaser, B. Bennett, C. McCarty, W. Albright, G. Wilkins, J. Downing, R. Blaser, P. Wilkins, C. Woest, and L. Dasso.

Second row: J. Degenford, D. Smith, F. Marselle, R. Lindem, J. Anderson, R. Brewer, R. Schott, J. Melow, J. Bivens, D. Nissen, K. Burt, D. DeClerck, D. Grabau, Kenneth Green, coach, and B. McAdam.

Tennis

First row, left to right: T. Wich, W. Heimbeck, and M. Sabath.

Second row: R. Horton, R. Budelier, T. Hainline, and J. Dye.

The boys' tennis team came through the season with flying colors and captured first place in the Northwest Conference. The team this year played one of the most difficult schedules yet attempted. Evanston, Peoria, Burlington, Davenport, and Moline are examples of the tough opposition faced by the team.

Ted Hainline officially took over the boys' tennis squad during the fall season and aided greatly in making this year a success. The late Paul Comer started out as coach of both boys' and girls' tennis squads in the spring season. The boys weren't the only successful ones this year as the girls' tennis squad also took first place in the Northwest Conference. They also placed second in the Quad-City conference.

First row, from left to right: L. Duyvejonck, R. Houston, J. Grissom, B. McGrew, B. Stevenson, K. Halx, P. Burt, M. Dayton, E. Behnamann, V. Van Zandbergen, and C. Gray.

Second row: C. Laughlin, M. Von Ach, R. Wetzel, B. Nelson, M. Bergwall, V. Mangelsdorf, R. Gaffney, and E. De Meyer.

Physical Fitness

Strong bodies are as important to happy living as strong minds. This realization guides Vera Homrighous and Kenneth E. Greene in planning the physical education program for Rocky High.

Obstacle courses, body-building exercises, and endurance tests are a few of the devices employed by the instructors.

During gym periods basketball, volleyball, and many other sports are offered. In the spring and fall of the year the gym classes participate in such sports as football, archery, hockey, track, and baseball.

Intramural activities provide participation in athletics other than that offered in varsity sports. Throughout the year basketball, volleyball, ping-pong, track, and baseball schedules have been arranged.

The building of strong bodies is thus included in the educational policies of our plant so that we may maintain a healthy, efficient personnel.

PRODUCTION

Bond Assembly

Left to right: J. R. Clark, H. Hankins, O. B. Wright, and A. Selle.

To bolster the sales of war stamps and bonds during the Fourth War Loan drive, *The Crimson Crier* sponsored a war-bond assembly.

A professional auctioneer, Roy G. Damp, auctioned off the entire football team to the student body and the faculty. The assembly ran the entire morning and many a happy person became the proud possessor of a certificate of ownership stating that he had bought his favorite star.

Howard Hankins brought in the highest bid. He was purchased by the Athletic Association for $2,860.00. Second highest was the bid for Archie Weindruch, who is in the service.

In all, $12,745.00 was raised, making the United States government and the workers at Rock Island High School the winners.

Senior Class Play

Standing: B. Wagner, P. Dahlen, M. Anderson, C. Bowlby.

One of the most successful seasons of Rock Island High School's dramatic department has just been concluded.

The Dramatic Club play, "Papa Is All," a comedy with a Pennsylvania-Dutch background, gave the cast a rare chance to use all their ingenuity in the adoption of Dutch accents. Then the Speech classes presented their evening of fun, at which four one-act comedies were staged .

"The Fighting Littles" came into their own when the Junior Class produced this three-act comedy in the high school auditorium.

Climaxing the department's achievements was the Senior Class play "The Man Who Came To Dinner." Thus did our plant's speech department earn its "E" for excellence and efficiency.

Seated from left to right: W. Otto, M. Tyler, H. Cleaveland, B. McMullin, M. Anderson, and C. Bowlby.

Standing: S. Harris, M. Barker, B. Wagner, T. Hainline, S. Crabill, K. Rucker, R. Hanson, P. Dahlen, L. Satin, P. Clark, B. Shlaes, J. Broderick, J. Spector, M. Sabath, and M. Spencer.

The Senior Class play completed this year's dramatic season with an outstanding production of "The Man Who Came to Dinner." Willis Otto portrayed the character of Sheridan Whiteside, world-renowned critic, lecturer, wit, radio orator, and intimate "friend" of the great and small.

Whiteside is a sarcastic and at times quite disagreeable sort of person. When he slips on a piece of ice in front of the Ernest Stanley residence, while on a lecture tour, and fractures his hip, the entire nation as well as the Stanley household is thrown into complete confusion because of the presence in the Stanley home of this celebrated person.

The doctor gives strict orders that Whiteside is not to be moved for at least ten days. The entire Stanley home, with its rooms and facilities, is then "confiscated" by the visitor and his associates. Maggie Cutler (Margery Tyler), Whiteside's efficient young secretary, meets a pleasing young newspaper reporter, Bert Jefferson (Ted Hainline), and they fall in love with each other. Whiteside fearing that he will have to train a new secretary if Maggie marries Bert, attempts to break up the friendship.

He sends for Lorraine Sheldon (Marilyn Anderson), a glamorous American actress and close friend, to come and act in a play that Bert has written, thinking that by doing this he can accomplish his real purpose of splitting up Bert and Maggie.

But Whiteside's plan suddenly fails completely and he loses his efficient secretary.

Fourth row: M. Doerr, L. Erickson, and L. Smith.

Interpreting the war for high school students so they can better understand what they can do toward winning it has been an important part of the job done by this year's *Crimson Crier* staffs.

Through informative articles and editorials and through the newly installed service column, *The Crimson Crier* has brought the war home.

By sponsoring the bond assembly, *The Crimson Crier* helped raise an amount that exceeded Rock Island High School's goal of the Fourth War Loan by $7,745.00.

Through co-operation with the Rock Island Safety Council, *The Crimson Crier* has aided in reducing accidents; this also aids the war effort.

The actual printing of the *Crier* was done again this year by the second-semester printing classes under the direction of David J. Borth. The printers often worked overtime to get the *Crier* out according to schedule.

First row, front to back: M. Collier, D. Purvis, and M. Clark.

Second row: D. Westphal, S. Volkman, E. Cook, M. Couch, and R. Burkert.

MARTHA RICHESON, *Business Manager.*

TYBE GEIFMAN, *Ass't Business Manager.*

Taking the lead in the saving of paper and of vital materials, the 1944 WATCH TOWER has reduced the size of its publication to a minimum. This is an example of just one more way in which Rock Island High School "workers" are trying to do their part in the war effort.

Problems of shortened deadlines, scarcity of materials, and increased cost of production have greatly handicapped this year's staff. Like all true war workers, however, the staff of the 1944 WATCH TOWER has worked many hours overtime and without "time-and-a-half" pay in order to keep up with war-time schedules for printing.

Motivated by the theme of producing for victory and peace in an educational plant, this year's annual has been edited with the purpose of giving graduating seniors a souvenir of their high school days. Included within these pages is a cross section of student life in our great plant.

Background, right: H. Teideman.

Under the direction of Foreman G. A. Berchekas, the Rock Island High School Concert Band has come through another eventful year with flying colors.

With two concerts behind them, members of the band have once more proved themselves masters of music. The fall concert was held December 16, 1943, and the spring concert was held on May 11, 1944. Each was a great success. Command performances were played at the Rotary Club, Kiwanis Club, American Legion, and in the high school auditorium.

In the field of sports, the band has proved to be the men behind the men behind the football. At each Rock Island game the band played before the game time and between halves. They went through their formations and routines with perfect timing. At the basketball games, they were represented by the girls' brass quintet.

Once again the Rock Island High School Band has led in raising the morale of our workers.
